Cutting

- Central rosette: Rosette pattern and volume fleece HH650 with Ø 12 cm
- Circle 1: Tile pattern in white-beige and volume fleece HH650 with Ø 20 cm
- Circle 2: Small star pattern beige-blue-orange and volume fleece HH650 with Ø 37 cm
- Circle 3: Retro zigzag pattern olive-dusty pink and volume fleece HH650 with Ø 71 cm
- Circle 4: Large star pattern white-olive-light pink with Ø 90 cm
- Reverse: Cotton fabric in dusty pink with Ø 90 cm
- Volume fleece H640 and H630, each Ø 90 cm

Cut circles 1 – 3 and volume fleece HH650 without seam allowances, the remaining pieces plus 1 cm seam allowances!

1. Mark the centre points of all the fabric circles. In order to do this, fold each circle into quarters. Iron the centre point and the fold lines. Unfold the circles again.

2. Place the rosette in the centre of circle 1 with the volume fleece HH650 between the two layers. Cover with a damp cloth (or with a pressing cloth and steam). Press the iron down in stages for 15 seconds at a time. Then stitch the edge of the central rosette close to the edge using straight stitch.

3. Pin the plaited ribbon all around over the sewing line. Fix the beginning of the ribbon with close zigzag stitching (stich width 4 mm, stitch length 0.25 mm) with approximately 10 stitches. Sew the ribbon in place all around with straight stitch. Lay the end of the ribbon over the beginning and fix this with close zigzag stitching also, then cut the plaited ribbon away close to the last stitch.

4. Align circle 1 on the centre of circle 2 with the fleece between the two layers and pin in place. Iron circle 2 on with the iron and steam. Sew in place all around at presser foot width. Pin the plaited ribbon in place along the curve so that the join is covered. Fix the beginning and end of the plaited ribbon in place as described above and cut away the end close to the end of stitching. Then iron circle 2 into the middle of circle 3 in retro zigzag fabric with the fleece, sew close to the edge and cover with plaited ribbon.

5. Pin circle 3 on the centre of the large star pattern piece and sew in place as in step 4. Sew plaited ribbon over the edge here also. Now press the volume fleece H640 onto the reverse with a damp cloth (or pressing cloth and steam) in stages, leaving 1cm all around without fleece.

6. Iron volume fleece H630 onto the reverse of the dusty pink cotton fabric as in step 4. Lay the back and upper sides of the rug with right sides together and pin together all around with the fold markings aligned. Sew around the circumference of the rug using a 1 cm seam allowance, leaving a 20 cm opening for turning, clip the curves, iron the seam and turn through the opening (it may be helpful to use a blunt pencil here to ensure all of the seam is turned through correctly). Hand sew the opening closed and iron. Pin the rug all around close to the outer plaited ribbon, stitch through the middle of the ribbon through all of the layers.
