Working instructions

Textile necklace
Cut fabric: Iron 1 x 92 x 3 cm patterned cotton fabric along their length in half with the right sides facing, then open up the fabric again and iron both long edges to the marked centre before ironing them in half along their length. Turn the start and the end in by 1 cm and sew the necklace close to the edge. Sew on a Toggle fastener at each end. To do this, push the appropriate closure part with the lug into the ribbon opening and affix with a few stitches.

For necklace with Gloss beads
Cut Nylon coated 1 m long. Affix one Crimp bead at one end for the closure using Flat-nosed pliers, and then affix a Calotte with a Crimp bead. Thread up 137 Gloss beads, 6 mm in grey and at the other end close again flush with a Crimp bead and a Calotte with a Crimp bead. Affix the Hook clasps on both sides to the Calotte using Round-nosed pliers.

Make the tassel pendant with Gloss beads, Glass wax bead, Metallic round bead, Metallic pyramid bead, Metallic flower bead and Toggle fastener ring with Extra Strong M 782 according to the threading instructions. The textile necklace and necklace with Gloss beads can be worn individually or together with the tassel.

also: cotton fabric scraps in pink/white (Westfalenstoffe)
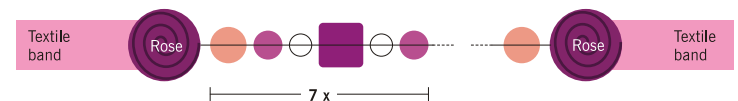

Working instructions

To make 2 textile bands
Cut fabric inc. seam allowance:
2 x 45 x 3.5 cm cotton fabric in pink/white.

Iron each strip of fabric in half along its length with the right sides together, then open up the fabric again and iron both long edges to the marked centre before ironing them in half along their length. Turn the start and the end in by 1 cm each and sew each ribbon down close to the edge.

Sew a Small rose onto the end of the first ribbon using Extra Strong M 782, and then thread up the Gloss and Twist beads according to the threading drawing. Sew a Large rose onto the end of the second ribbon. Sew the threads tight, then thread back a second time through all the beads before fixing them to the first ribbon and cutting the thread.

Working instructions

Make 2 textile bands, see wraparound bracelet in pink/violet.
Tuck in 1.5 cm of the first and second ribbon ends, hook in only onto the
Toggle fastener ring and sew on by hand.

Cut 40 cm Nylon coated and affix one Crimp bead at one end using Flat-
nosed pliers, and then affix a Calotte with a Crimp bead. Thread up Gloss
beads and Small satin roses (see photo) and then affix one Crimp bead and
one Calotte with a Crimp bead at the other end. Hook each Calotte into a
Toggle fastener ring and close using Round-nosed pliers.
Take up one Gloss bead 8 mm in white and 10 mm in blue onto one Chain
stitches respectively. Bend the Chain stitches into a lug using Round-nosed
pliers and cut off the projecting end using Wire cutters. Hook both the lugs
into a Toggle fastener ring and close using Round-nosed pliers.
