1.50 m Waxed cord in black Art. 684457,
additionally: 0.50 m lace velvet ribbon in light pink (Satab), super glue

Working instructions

Make 3 strands of beads: Thread the waxed cord through a hole in the
velvet ribbon. Allow the ribbon ends to project 8 cm at the start.
Thread a Tropic bead onto waxed cord and knot it together with the velvet
ribbon straight after the bead. Thread 4 Seed beads pearl onto waxed cord
in black, and then knot the waxed cord together with the velvet ribbon.
Thread on and knot Tropic beads and Seed beads pearl alternately in this
way until the required bracelet length has been reached or until all
4 Tropic beads have been used (the pattern should end with a
Seed bead).

In addition, thread 62 Seed beads pearl onto two further strands on
waxed cord, fixing both the beginnings and ends with knots. Lay all
3 bead strands flush next to each other. Knot the ends together
and stick the clasp over them using super glue.

Art. 670260, also: Cotton fabrics, 0.25 m stripes in grey/light pink, 0.30 m
stripes in grey/beige, 1 button in grey Ø 23 mm, super glue.

Working instructions

Cut pieces of fabric (inc. 0.75 cm seam allowance) Part A (necklace) 36 x
22 cm stripes 1 x in grey/light pink, Part B (bow, cut diagonally to the run of
the fabric) each 54 x 2.5 cm stripes 2 x in grey/beige
To sew Fold Part A together along its length with the right sides facing, 0.75 cm
in, the narrow sides should stay open. Turn the band of material, iron and cut in
half. Gather the 4 band ends using hand stitches and adhere using super glue
into one closure capsule each. Remove the snap hook or the extension chain on
one half of each band of material. Pin Parts B with the right sides facing, and
cut the ends off diagonally. Stitch the band all round from the centre 0.75 cm
in, leaving a 5 cm-long turning slit in the centre. Trim any extra material, turn
the band and iron it. Tie the band into a bow, which will also fix the slit. Sew
the button onto the centre of the bow.
Making the necklace For the centre part of the necklace, thread up 3 bundles
of 4 strands of Seed beads pearl each. Cut 12 x 30 cm each of Nylon coated
using the wire cutters. Thread up 1 crimp bead each in bundles of 4 on Nylon
coated, and fix after 2 cm with the flat-nosed pliers. Thread 1 calotte and
1 crimp bead each onto the 2 cm long nylon, flush in front of the crimp beads.
Fix the crimp bead in the calotte, close the calotte with the flat-nosed pliers and
cut off any projecting thread. Thread up 70 Seed beads pearl each onto a total
of 12 strands. Distribute 5 strands in silver, 4 strands in lilac and 3 strands in
purple irregularly onto the bundles of 4. At the end of the strands, fix 1 crimp
bead flush after the last Seed bead pearl. Thread up 1 calotte with 1 crimp
bead and close as at the start using the flat-nosed pliers. Hook the 3 bundles
of beads into the bands of fabric with the calotte into a ring (without the snap
hook or extension chain) of the clasp capsule and bend it shut using the
Round-nosed pliers. Sew the fabric bow over a clasp part on the necklace
with hand stitches.

Round-nosed pliers Art. 670251,
additionally: remnants of floral cotton fabric in grey/beige, 0.10 m waxed
cord in purple, 25 mm wide, coverable button Ø 10 mm

Working instructions

Cut pieces of fabric (incl. 1 cm seam allowance)
Part A (bow) 10 x 12 cm floral cotton fabric in grey/beige
Part B (band) corded ribbon in purple 8 cm

Chain
Cut 4 lengths of nylon coated wire each 60 cm long with the wire cutter.
At one end, fix all 4 strands after 5 cm with a crimp bead and flat-nosed
pliers. Thread 1 calotte and 1 crimp bead onto the short end and fix the
crimp bead in the calotte. If necessary, add a drop of super glue and close
the calotte with flat-nosed pliers. Thread 150 seed beads onto each nylon
thread, fix the end of each strand together with a crimp bead, and then fix
using 1 calotte and 1 crimp bead, flush after the last seed bead (as at the
beginning). Hook each closure into a calotte and bend over using round-
nosed pliers.

Bow
Fold the bow in half across its width, right sides facing, and top stitch
1 cm all the way round, leaving a short turning opening in the middle of
the longitudinal edge. Trim away the extra material, turn and iron. Place the
bow on the side of the necklace, wrap the band centrally around the bow
and twist all 4 necklace strands. Turn in the extra material and sew over
each other onto the back of the bow. Ruffle the front of the bow. Cover
the button with fabric and sew it centrally into the band.
